SOARING UNION OF LOS ANGELES

The Academy of Model Aeronautics sincerely thanks you for honoring NORMAN PETERSON by donating to the hobby and organization your loved one cared for so much. Your generous gift to the Museum Fund of \$50.00 received on 12/08/2014 will support AMA's charitable programs. It will also be listed in our magazine, *Model Aviation*, to recognize your contribution made in honor of this special AMA member.

The National Model Aviation Museum continually strives to preserve and showcase the history of model aviation to lifelong aeromodelers, newcomers, students, and the general public. With the help of donations from supporters like you, we have been able to:

- ❖ Create interactive, hands-on programming, including flight demonstrations and make-and-take events.
- ❖ Develop new exhibits with video monitors and touch screens featuring original film footage.
- ❖ Host digital lectures and programs about model aviation history that are shared with members and modelers around the world.
- ❖ Preserve modelers' stories, photographs, and model airplanes as important historical pieces.
- ❖ Protect the collection's nearly 10,000 artifacts with improved storage facilities.

Please alert your tax preparer that the Academy of Model Aeronautics is recognized as an educational and scientific nonprofit organization. Your contribution is tax-deductible.

On behalf of the Academy of Model Aeronautics, I thank you again for your generous support,

Dave Mathewson
Academy of Model Aeronautics
Executive Director

P.S. AMA supporters who give \$10 or more to the AMA or AMA Foundation receive a donor icon on their membership card. If you have already received a card without the icon, a new one will be issued soon.
