

Soaring Union of Los Angeles Plan of Use for Field of Dreams

This is a plan of use of the Field of Dreams located at 501 Westmont Dr, San Pedro, CA 90731. The primary use will be flying model aircraft. We will be following the guidelines outlined by the Public Health Officer on November 30th2020. They are as follows:

- Face coverings must be always worn except while eating or drinking nonalcoholic beverages.
- All equipment must not be shared or handled by other than the owner.
- At all times when eating, drinking, or flying participants must maintain a 6-foot distance from others.
- Screenings of participants will include a check to if the individual is currently under isolation or quarantine orders.
- Waiver of Liability and Acceptance of Risk needs to be on file before anyone can use the FOD facility.
- Screening of participants will be tracked with sign-in sheet by club officers.
- All participants will enter and exit in vehicles no foot traffic to enter and leave facility.
- While flying the flyers will maintain a 6-foot distance.
- No more than 5 flyers will be in the flight line at one time.
- Flyer's cars will be parked 6 foot apart along the parking lane (See illustration below)
- Any noncompliance will be grounds for revoking flying and entrance privileges.
